

HIV IS NOT A DEATH SENTENCE

Know this and know peace !

Lies about HIV !

**FINDING OUT YOU HAVE HIV
WILL MAKE YOU DIE QUICKLY.**

**KNOWING YOU HAVE HIV KILLS
FASTER THAN THE ACTUAL VIRUS**

YOUR LIFE ENDS WITH HIV

The Truth Is

- **Getting tested for HIV, finding out your status, will help you live a longer and normal life.**

Do you know that....

- **There are antiretroviral medicines for HIV.
You only have to take them orally, to live a normal and healthy life.**
- **They are painless medicines!**
- **You take them just like you take the usual paracetamol !**

Get tested for HIV

Whichever way it turns out.....

Life CONTINUES!
